"Behold the blood of the covenant." Exod. 24. 8

J. Newton

1. Dear-est Sav-iour! we a-dore thee, For thy pre-cious life and death;

Melt each stub-born heart be-fore thee; Give us all the eye of faith.

From the law's con-demn-ing sent-ence, To thy mer-cy we ap-peal;

Thou a-lone canst give re-pen-tance; Thou a-lone our souls canst heal.
