

$\text{♩} = 120$ "Jehovah-Jireh." Gen. 22: 14. J. Franklin

1. In moun-t of dan-ger and of straits, My soul for his sal - va - tion waits;
 2. He, in the most dis - tress-ing hour, Dis-plays the great-ness of his pow'r;
 3. Je - ho - vah - Jir - eh is his name; From age to age he proves the same;
 4. The Lord Je - ho - vah is my guide; He does and will for me pro - vide;

Je - ho - vah - Jir - eh will ap - pear, And save me from my gloom-y fear.
 In dark-est nights he makes a way, And turns the gloom-y shade to day.
 He sees when I am sunk in grief, And quick-ly flies to my re - lief.
 And in the mount it shall be seen, How kind and gra - cious he has been.
