Glad Tidings. Isa. 61. 1-3; Matt. 11. 5, 28

W. Gadsby

1. The gos - pel brings tid - ings, glad tid - ings in - deed,
2. What sweet in - vi - ta - tions the gos - pel con - tains,
3. For ever - y poor mour - ner, who thirsts for the Lord,
4. A robe is pro - vid - ed, their shame now to hide,
5. [A ring that de - notes his un - change - a - ble love,

To mour - ners in Zi - on, who want to be freed
 To men heav - y la - den with bond - age and chains;
 A foun - tain is o - pened in Je - sus the Word;
 In which none are cloth - èd but Je - sus' - s bride;
 Is put on the fing - er, God's kind - ness to prove,

From sin, and from Sa - tan, and Mount Si - nai's flame,
 It wel - comes the wear - y to come and be blessed
 Their poor parch - èd con - science to cool and to wash
 And though it be cost - ly, yet is the robe free,
 (This love no be - gin - ning can know, nor an end.)

Good news of sal - va - tion, through Je - sus the Lamb.
 With ease from their burd - ens, in Je - sus to rest.
 From guilt and poll - u - tion, from dead works and dross.
 And all Zi - on's mourn - ers shall decked with it be.
 And Zi - on shall wear it in praise of her Friend.]
