

1. How care - ful - ly the shep - herds keep Their flocks with - in their sight,
2. The shep - herd num - bers twice a day The flock be - neath his care;
3. So Je - sus reck - ons one by one, And num - bers all His sheep;
4. The flocks of men are bought with gold, And grass is all their food;
5. Each child that's wise would wish to be One of that hap - py band

So Je - sus watch - es o'er His sheep, And guards them day and night.  
 He knows if an - y go a - stray, Or sick or dy - ing are.  
 He knows if but a lamb is gone, For He doth nev - er sleep.  
 The sheep and lambs of Je - sus' fold Are pur - chased with His blood.  
 Who know His voice, His mer - cy see, Led by His gen - tle hand.
